

Chronic Disease Program Co-Pay Reduction Guidelines

- The Co-Pay discount is only available *after* the 2nd visit to an individual specialist (starts on the third visit) of the Plan year
- You must be an active chronic disease member and your medical records provided to the chronic disease case manager
- Your co-pay reduction will be active until the end of each plan year (September 30th)
 - Co-pay reduced from \$50 to \$30 per visit
- Web TPA is notified when co-pay discount is approved
- Remind your individual specialist's office staff to contact WEB TPA to confirm when co-pay discount is active
