Let's Find Your Best Benefits

ALEX[®], is the new Sarasota Memorial Health Care System benefits counselor, who will walk you through the process of picking your best benefits, and provide easy-to-understand explanations for any questions you might have along the way.

You'll receive personalized, confidential benefits guidance, which you can access on any computer, tablet, or smartphone. Before you make your enrollment decisions, let ALEX help you find the plans that make the most sense for you.

How ALEX[®] Works

ALEX[®] is an online tool that will help you select the best benefit plan for you and your family. When you talk to ALEX he'll ask you a few questions about your health care needs, crunch some numbers, and point out what makes the most sense for you. And anything you tell ALEX remains anonymous, so don't be afraid to really let loose about that weird tooth thing.

How long will this take?

Most users spend about 7 minutes with ALEX, but it really just depends how much guidance you'd like. And ALEX can save your place, so you can leave to get some peanut brittle and then pick up right where you left off.

Can I use ALEX on my phone?

Oh yeah. ALEX is optimized for any device you've got.

Can I trust ALEX with my secrets?

Yes! Your ALEX experience is totally private. He doesn't maintain personal info or submit it back to your employer (or anyone else), so it's completely anonymous.

How should I prepare?

You don't need to do much of anything. ALEX will ask you to estimate what type of medical care you might need this year (doctors visits, surgeries, ER visits, prescriptions, etc.), so you may want to tally those up and talk to your family about their needs, but ALEX can also help you come up with some estimates.

How does ALEX know what plan is best for me?

ALEX takes the amount each plan would cost you out of your paycheck (your premium) and adds that to the amount it would cost for the services you said you might use. Then he'll recommend the least expensive plan for your needs.
